

# CASTS TALKS

## Special Program in Applied Mathematics and Applied Mechanics

*The semi-Lagrangian reproducing kernel meshfree formulation for  
the modeling of gravity flow and earthquake-induced landslide*

2014 - 12 - 03 (Wed.)

15:00 - 18:00

308, Mathematics Research Center Building (ori. New Math. Bldg.)

**CASTS**

Center for Advanced Study in Theoretical Sciences, NTU
