

## A Mini-Course on Computational Fluid Dynamics

*Numerical Methods for the Simulation of Incompressible Viscous Flow: An Introduction*  
(questions/discussion.)

Prof. Tsorng-Whay Pan

2017 - 12 - 20 (Wed.)

15:20 - 17:00

308, Mathematics Research Center Building (ori. New Math. Bldg.)

---

Continued from Part5. & Part6., and questions/discussion

**CASTS**

Center for Advanced Study in Theoretical Sciences, NTU
